Oval Bikeability sessions continue. The skills are followed by a ride of with parents of about 2 hrs or less to Eastham Woods. Ring Gary on 07767 685027 for further information. Ring John Simpson 07773 692477 or myself re the Saturday Eureka ride.

Youth circuit racing continues at Litherland and Marsh tracks Rhyll on Wednesday evenings. Outdoor track racing at Longview Drive, Huyton started on Friday evenings in August as the water problem has disappeared. Bring your own track bike, accreditation is not required, racing is for 10 yr olds upwards; plus training for under 10s from 6pm to 7pm using hire bikes.

Since the BC web site was upgraded I have been unable to copy and paste selected local racing events from their site, if interested please search on the BC events page using appropriate filters, and refer to the Youth Section FB page for posts by Ros Clark in particular, who does a great job keeping up with what is available.
